

Technip Energies to Purchase €20 Million Equivalent of its Own Shares From TechnipFMC

Technip Energies (PARIS:TE) (the “Company”), a leading Engineering & Technology company for the Energy Transition, today announces that it has agreed to acquire €20 million equivalent of its own ordinary shares (the “Shares”) from TechnipFMC plc., concurrently with TechnipFMC’s announced sell-down of its stake in the Company through a private placement by way of an accelerated book building process. The price per Share for the Shares to be purchased by the Company from TechnipFMC is the purchase price to be announced by TechnipFMC in its separate accelerated book building process.

In acquiring the Shares, the Company is exercising its rights under the Separation and Distribution Agreement entered into with TechnipFMC on 7 January 2021, and pursuant to which the Company became an independent company on February 16, 2021.

Following the consummation of TechnipFMC’s accelerated book-building process and the acquisition of the Shares by the company, TechnipFMC’s stake in the Company will be approximately 31%.

Forward-Looking Statement

This release contains “forward-looking statements” as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. Forward-looking statements usually relate to future events and anticipated revenues, earnings, cash flows or other aspects of Technip Energies’ operations or operating results. Forward-looking statements are often identified by the words “believe,” “expect,” “anticipate,” “plan,” “intend,” “foresee,” “should,” “would,” “could,” “may,” “estimate,” “outlook,” and similar expressions, including the negative thereof. The absence of these words, however, does not mean that the statements are not forward-looking. These forward-looking statements are based on Technip Energies’ current expectations, beliefs and assumptions concerning future developments and business conditions and their potential effect on Technip Energies. While Technip Energies believes that these forward-looking statements are reasonable as and when made, there can be no assurance that future developments affecting Technip Energies will be those that Technip Energies anticipates. All of Technip Energies’ forward-looking statements involve risks and uncertainties (some of which are significant or beyond Technip Energies’ control) and assumptions that could cause actual results to differ materially from Technip Energies’ historical experience and Technip Energies’ present expectations or projections. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those set forth in the forward-looking statements.

For information regarding known material factors that could cause actual results to differ from projected results, please see Technip Energies’ risk factors set forth in Technip Energies’ filings with the U.S. Securities and Exchange Commission, which include amendment no. 4 to Technip Energies’ registration statement on Form F-1 filed on February 11, 2021.

Forward-looking statements involve inherent risks and uncertainties and speak only as of the date they are made. Technip Energies undertakes no duty to and will not necessarily update any of the forward-looking statements in light of new information or future events, except to the extent required by applicable law.
