*In case of exercise of the over-allotment option, Natixis (or any entity acting on its behalf), acting as a stabilizing agent in the name and on behalf of all global coordinating institutions and associated book runners, may, without being bound and having the right to terminate at any time, during a period of 30 days following the start of trading of the Company's shares on Euronext Growth® in Paris, i.e., according to the indicative timetable, from July 7, 2021 up to and including August 6, 2021, carry out transactions with a view to maintaining the market price of Spartoo shares in a manner consistent with applicable laws and regulations and, in particular, Regulation (EU) No. 596/2014 of the European Parliament and of Council of April 16, 2014 supplemented by Commission Delegated Regulation (EU) 2016/1052 of March 8, 2016. Any stabilizing action aims to support the market price of Spartoo shares and may affect the share price.*

*MiFID II Product governance / target market: According to the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures, the target market assessment in respect of the shares offered in the global offering (the "Offered Shares") has led to the conclusion that : (i) the target market of the Offered Shares is eligible counterparties, professional clients and retail clients, each as defined in MiFID II; and (ii) all channels for distribution of the Offered Shares are appropriate (the "Target Market Assessment"). Any person subsequently offering, selling or recommending the Offered Shares (a "distributor") should take into consideration the manufacturers' Target Market Assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Offered Shares (by either adopting or refining the manufacturers' Target Market Assessment) and determining appropriate distribution channels.*

*The Target Market Assessment is conducted solely for the purposes of the manufacturer's product approval process and neither constitutes an assessment for any particular client of suitability or appropriateness for the purposes of MiFID II nor a recommendation to invest in, or purchase, or take any other action whatsoever with respect to the Offered Shares.*

*Notwithstanding the Target Market Assessment, the attention of distributors is drawn to the fact that: the price of the Offered Shares may decline and investors could lose all or part of their investment; the Offered Shares offer no guaranteed income and no capital protection; and that an investment in the Offered Shares is compatible only with investors who do not need a guaranteed income or capital protection, who are capable (either alone or in conjunction with an appropriate financial or other adviser) of evaluating the merits and risks of such an investment and have sufficient resources to be able to bear any losses that may result therefrom.*
