### About Claranova:

As a diversified global technology company, Claranova manages and coordinates a portfolio of majority interests in digital companies with strong growth potential. Supported by a team combining several decades of experience in the world of technology, Claranova has acquired a unique know-how in successfully turning around, creating and developing innovative companies.

With average annual growth of more than 40% over the last three years and revenue of €472 million in FY 2020-2021, Claranova has proven its capacity to turn a simple idea into a worldwide success in just a few short years. Present in 15 countries and leveraging the technology expertise of nearly 800 employees across North America and Europe, Claranova is a truly international company, with 95% of its revenue derived from international markets.

Claranova's portfolio of companies is organized into three unique technology platforms operating in all major digital sectors. As a leader in personalized e-commerce, Claranova also stands out for its technological expertise in software publishing and the Internet of Things, through its businesses PlanetArt, Avanquest and myDevices. These three technology platforms share a common vision: empowering people through innovation by providing simple and intuitive digital solutions that facilitate everyday access to the very best of technology.
