## ESI Group joins the Euronext Tech Leaders segment

### The new initiative is dedicated to high-growth and leading tech companies

ESI Group, Rungis, France, (ISIN Code: FR0004110310, Symbol: ESI), a global simulation and virtual prototyping software partner for the industry, today announced that it will join the Euronext Tech Leaders initiative, a new segment including more than 100 high-growth and leading Tech companies across Europe.

**Cristel de Rouvray, Chief Executive Officer of ESI Group, comments:** “ESI Group is very pleased to be one of the 100 European companies included in this new Euronext Tech Leaders segment. Such types of initiatives are critical for companies like ours. It'll help to accelerate the shift of valorization methods of tech companies by the European financial ecosystem. At ESI, we believe that Tech, and software, are key enablers for the creation of a more safe, clean, and more productive industry, by extension, society. It's a new journey that starts for our ecosystem of European Tech Leaders.”.

Euronext's rich Tech ecosystem brings together 700+ Tech companies listed on Euronext markets with 660+ alumni of its pre-IPO programs and a large international investor base financing all growth profiles of Tech companies.

Euronext Tech Leaders is composed of 100+ high-growth and leading companies, each meeting a specific set of criteria to qualify. It complements Euronext's existing Tech offer and aims to strengthen the European Tech sector and be a catalyst for the next generation of Tech leaders.

In addition to being recognized for the value it creates for the industrial and tech ecosystems, the company is also part of the, even tighter, segment of women-led Tech leaders (less than 10 over +100 companies). ESI Group's management is composed of 10 people, 4 of whom are women holding key positions as CEO, EVP Operations & CFO, SVP Governance & General Secretary, and Chief of staff.

As a Euronext Tech Leader, ESI Group will benefit from the suite of services developed by Euronext and its partners to support participants along their listing journey.
