Offering of the New Notes

This press release does not constitute or form part of any offer or solicitation to purchase or subscribe for or to sell securities and the issue of the New Notes will not be an offer to the public (other than to qualified investors) in any jurisdiction, including France.

Important Information

This press release may not be published, distributed or released, directly or indirectly, in the United States of America, Australia, Canada, South Africa or Japan or in any jurisdiction in which the offer of the New Notes is unlawful. The distribution of this press release may be restricted by law in certain jurisdictions and persons into whose possession any document or other information referred to herein comes, should inform themselves about and observe any such restriction. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction.

No communication or information relating to the offering of the New Notes may be transmitted to the public in a country where there is a registration obligation or where an approval is required. No action has been or will be taken in any country in which such registration or approval would be required. The issuance or the subscription of the New Notes may be subject to legal and regulatory restrictions in certain jurisdictions; the Company assumes no liability in connection with the breach by any person of such restrictions.

The New Notes will be offered only by way of a placement in France and/or outside France (excluding the United States of America, Australia, Canada, South Africa and Japan), solely to qualified investors (*investisseurs qualifiés*) as defined in Article 2(e) of the Prospectus Regulation (as defined below). There will be no public offering in any country (including France) in connection with the New Notes, other than to qualified investors. This press release does not constitute a recommendation concerning the issue of the New Notes. The value of the New Notes can decrease as well as increase. Potential investors should consult a professional adviser as to the suitability of the investment in the New Notes for the person concerned.

Prohibition of sales to European Economic Area retail investors

The New Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("EEA"). For these purposes, the expression "retail investor" means a person who is one (or more) of the following:

- (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II");
or
- (ii) a customer within the meaning of Directive 2016/97/EU, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
- (iii) not a "qualified investor" as defined in Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017, as amended (the "Prospectus Regulation").

Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "PRIIPs Regulation") for offering or selling the New Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the New Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

Prohibition of sales to UK retail investors

The New Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“UK”). For these purposes, the expression “retail investor” means a person who is one (or more) of the following:

- (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (“EUWA”); or
- (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the Financial Services and Markets Act 2000, as amended (the “FSMA”) to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA; or
- (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of UK domestic law by virtue of the EUWA.

Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of UK domestic law by virtue of the EUWA (the “UK PRIIPs Regulation”) for offering or selling the New Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the New Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

The New Notes are being offered and sold outside of the United States of America to non-U.S. persons pursuant to and in reliance on Regulation S under the Securities Act (“Regulation S”). Terms used in this paragraph and not otherwise defined have the meanings given to them in Regulation S.

Tender Offer

The Tender Offer is addressed to the Qualifying Holders (as defined in the Tender Offer Memorandum) of the Existing Notes, excluding U.S. Persons, the United States of America and any other jurisdiction where the Tender Offer would be prohibited by applicable law. Neither the Tender Offer Memorandum nor any other document relating to the Tender Offer has been submitted to the *Autorité des marchés financiers* or any other authority for approval.

No communication and no information in respect of the repurchase of the Existing Notes may be distributed to the public in any jurisdiction where a registration or approval is required. No steps have been or will be taken outside of France in any jurisdiction where such steps would be required.

This press release does not constitute an invitation to participate in the Tender Offer or an offer to purchase the Existing Notes in or from any jurisdiction in or from which, or to or from any person to or from whom, it is unlawful to make such repurchase or offer under applicable securities laws. The release, publication or distribution of this press release in certain jurisdictions may be restricted by law. Consequently, any persons in such jurisdiction in which this press release is released, published or distributed are required by the Company to inform themselves about, and to observe, any such restrictions.

The Company makes no recommendation as to whether or not the holders of the Existing Notes should participate in the Tender Offer.

Person, as defined in Regulation S under the Securities Act of 1933, as amended, the "Securities Act") (each, a "U.S. Person"). The Existing Bonds referred to above may not be tendered in the Tender Offer by any such means or contest in or from the United States or by persons located or resident in the United States (U.S. Holders, as defined in Rule 800(h) of the Securities Act). Accordingly, no copy of this document, the Tender Offer Memorandum or any other document relating to the Tender Offer is being or shall be, directly or indirectly, distributed, transferred or transmitted in any manner whatsoever (including, without limitation, by custodians, agents or trustees) in or into the United States or to any such person. Any offer to sell in response to the Tender Offer resulting directly or indirectly from a violation of these restrictions will be void, and any offer to sell made by a person located in or resident in the United States, or any agent, trustee or other intermediary acting, in a non-discretionary manner, in the name of and on behalf of a principal instructing from within the United States, will be void and will not be accepted.
