

SPARTOO PASSES THE THRESHOLD OF 70,000 REFERENCES IN THE WORLD OF INTERIOR DESIGN

Grenoble, France, August 14th, **2022 - 5:45 p.m. CEST - Spartoo (ISIN code: FR00140043Y1 - mnemonic: ALSPT)**, one of the leading online retailers for <u>fashion items</u> in Europe, announces that its <u>Home & Decoration</u> offer now includes more than 70,000 products.

Already offering one of the largest selections of fashion items in France and Europe, Spartoo has recently positioned itself in the home decoration market, by offering 50,000 items in March 2022. This new product offering completes the value proposition of the Group, which is recognized for the unparalleled range of products and its expertise in the various e-commerce activities.

Boris Saragaglia, co-founder and CEO of Spartoo, stated: "The development of our offer in the small-size interior decoration segment is an asset for the development of our fashion image and our purchase frequency. Although this is a new market for Spartoo, its proximity to the fashion industry will allow us to apply the same recipes for success that Spartoo has developed, based on mastering the entire e-commerce value chain, namely transport, logistics and customer service. These new references will strengthen our fashion proposition centered on footwear and ensure that we further increase Spartoo's brand awareness in Europe."
