

Ikonisys and Negma Group announce the end of their financing agreement

Paris, September 20, 2022 – 5:45 pm CEST – Ikonisys SA (Euronext Growth Paris: ALIKO), a company specializing in the early and accurate detection of cancers with a unique fully-automated solution for medical analysis labs (the “Issuer”), and Negma Group, an institutional investment fund headquartered in Dubai, UAE, announce the mutually agreed upon ending, on the date hereof, of the financing program entered into May 4, 2022. Ikonisys would like to thank Negma Group for their support at the IPO and their continued confidence in the Issuer as they will continue to follow its future developments with interest.

About Ikonisys

Ikonisys SA is a cell-based diagnostics company based in Paris (France), New Haven (Connecticut, USA) and Milan (Italy) specialized in the early and accurate detection of cancer. The company develops, produces and markets the proprietary Ikoniscope20[®] platform, a fully-automated solution designed to deliver accurate and reliable detection and analysis of rare cells. Ikonisys has received FDA clearance for several automated diagnostic applications, which are also marketed in Europe under CE certification. Through its breakthrough fluorescence microscopy platform, the company continues to develop a stream of new tests, including liquid biopsy tests based on Circulating Tumor Cells (CTC).
