Supplementary non-IFRS financial information

Verimatrix uses performance indicators that are not strictly accounting measures in accordance with IFRS. They are defined in Appendix 1 of this press release. They should be considered as additional information, which cannot replace any other strictly accounting-based operating or financial performance measure, as presented in the consolidated financial statements, including the income statement set out in Appendix 1 hereof.

Forward-looking statements

This press release contains certain forward-looking statements concerning Verimatrix. Although Verimatrix believes its expectations to be based on reasonable assumptions, they do not constitute guarantees of future performance. Accordingly, the Company's actual results may differ materially from those anticipated in these forward-looking statements owing to a number of risks and uncertainties.
