About Vinpai

Founded in 2011 by Cyrille Damany and Philippe Le Ray, Vinpai is an ingredien'tech specializing in the design, manufacture and marketing of functional ingredients based on algae, plants, minerals and fibers, offering manufacturers natural alternatives to chemical additives. Positioned in the most promising market segments, Vinpai provide supports to food, cosmetics and nutraceutical manufacturers, thanks to its cross-technology know-how, enabling them to upgrade the nutritional qualities of their end products. The combination and mixing of ingredients and food additives enable manufacturers to accelerate their development, optimize their production costs and generate profitability. Operating on two sites, in Saint-Dolay (Morbihan) and near the harbour of Saint-Nazaire, Vinpai has developed over 3,500 formulations and has 39 employees. In 2022, the Company has recorded sales of €6.2 million, over half of which abroad, and is established in over 35 countries.
