

STATEMENT CONCERNING EUTELSAT GROUP'S GROUND NETWORK

Paris, 06 May 2024 – Pursuant to recent press speculation, Eutelsat Group (ISIN: FR0010221234 - Euronext Paris / London Stock Exchange: ETL), confirms it is analysing options to partner with external infrastructure investors in its ground network.

At this time this analysis is preliminary in nature, and there can be no certainty that it will lead to a specific outcome.

Eutelsat Group will communicate further only if and when this analysis materialises into a potential transaction.

About Eutelsat Group

Eutelsat Group is a global leader in satellite communications, delivering connectivity and broadcast services worldwide. The Group was formed through the combination of the Company and OneWeb in 2023, becoming the first fully integrated GEO-LEO satellite operator with a fleet of 35 Geostationary satellites and a Low Earth Orbit (LEO) constellation of more than 600 satellites. The Group addresses the needs of customers in four key verticals of Video, where it distributes more than 6,500 television channels, and the high-growth connectivity markets of Mobile Connectivity, Fixed Connectivity, and Government Services. Eutelsat Group's unique suite of in-orbit assets enables it to deliver integrated solutions to meet the needs of global customers. The Company is headquartered in Paris and the Eutelsat Group employs more than 1,700 people across more than 50 countries. The Group is committed to delivering safe, resilient, and environmentally sustainable connectivity to help bridge the digital divide. The Company is listed on the Euronext Paris Stock Exchange (ticker: ETL) and the London Stock Exchange (ticker: ETL).

DISCLAIMER

The forward-looking statements included herein are for illustrative purposes only and are based on management's views and assumptions as of the date of this document. Such forward-looking statements involve known and unknown risks. For illustrative purposes only, such risks include but are not limited to: risks related to the health crisis; operational risks related to satellite failures or impaired satellite performance, or failure to roll out the deployment plan as planned and within the expected timeframe; risks related to the trend in the satellite telecommunications market resulting from increased competition or technological changes affecting the market; risks related to the international dimension of the Group's customers and activities; risks related to the adoption of international rules on frequency coordination and financial risks related, inter alia, to the financial guarantee granted

to the Intergovernmental Organization's closed pension fund, and foreign exchange risk. Eutelsat Communications expressly disclaims any obligation or undertaking to update or revise any projections, forecasts or estimates contained in this document to reflect any change in events, conditions, assumptions, or circumstances on which any such statements are based, unless so required by applicable law. The information contained in this document is not based on historical fact and should not be construed as a guarantee that the facts or data mentioned will occur. This information is based on data, assumptions and estimates that the Group considers as reasonable.
