

THE ICAPE GROUP ANNOUNCES THE CLOSING OF THE ACQUISITION OF THE NTW GROUP

Fontenay-aux-Roses, France, 6.00 pm CEST on September 19, 2024 – The ICAPE Group (ISIN code: FR001400A3Q3 – Ticker: ALICA), a global technology distributor of printed circuit boards (“PCB”) and custom-made electromechanical parts, today announced the completion of the acquisition of 100% of the capital of the Japanese group NTW, specialized in the distribution of PCB in Asia,

Please [find here the interview with Yann DUGOU, ICAPE Group's CEO](#), who talks about this major operation for the Group.

About the ICAPE Group

Founded in 1999, the ICAPE Group acts as a key technological expert in the PCB and technical parts supply chain. With a global network of 36 subsidiaries and a major presence in China, where most of the world’s PCB production is done, the Group is a one-stop-shop provider for the products and services which are essentials for customers. As of December 31, 2023, the ICAPE Group recorded a consolidated revenue of €179.5 million.
