TP named a Leader in Everest Group's 2024 Experience-Driven Integrated BFS Operations PEAK Matrix® Assessment

Company recognized for its deep expertise, industry experience and continuous innovation using AI technologies to drive client impact through integrated services solutions

Paris, March 20, 2025 – Global digital services leader <u>TP</u> announced today it was named a Leader in Everest Group's 2024 Experience-Driven Integrated Banking and Financial Services (BFS) Operations PEAK Matrix® Assessment.

Everest Group assessed 18 leading providers globally for its Experience-Driven Integrated BFS Operations PEAK Matrix® Assessment, evaluating their capabilities in delivering integrated services across key domains, including retail banking, lending, and payments. TP was recognized as a Leader for its expertise, its experience in the banking and financial services industry, technology, and customer-centric approach, with a suite of banking and financial services solutions including account servicing, customer onboarding, credit evaluation, and payments processing.

"By recognizing buyers' desire for end-to-end services, TP created its OneOffice offering for delivering integrated front-to-back operations across lending, payments, and financial crime segments," says Suman Upardrasta, Vice President, BFSI at Everest Group. "TP possesses its in-house technology as well as the digital services expertise of the recently acquired Majorel, which address the rising demand for digitally driven operations. These capabilities have earned it recognition as a Leader in Everest Group's Experience-Driven Integrated BFS Operations PEAK Matrix® Assessment."

In naming TP a Leader in the assessment, Everest cited TP for its extensive operational scale and technology, including its <u>digital services arm TP Infinity</u> and TP's strengthened global presence. Everest also cited TP for its strong strategic partnerships with AI technology providers, and the company's suite of <u>end-to-end integrated services</u> such as digital onboarding, Know Your Customer processes, and fraud-as-aservice within banking, customer acquisition and servicing within lending, and credit card payments processing, financial crime, screening and inquiries.

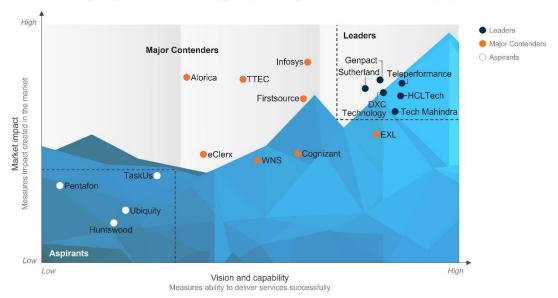

Everest Group's PEAK Matrix® Assessment evaluates providers based on market impact, and vision and capability, with criteria emphasizing AI integration, innovation, and global delivery excellence. TP excelled in areas such as strategic focus on AI-driven transformation, continuous investment in advanced technologies, and a flexible, AI-enhanced global delivery model that supports diverse BFS clients across geographies.
