## Ikonisys announces the postponement of the publication of its 2024 annual financial report

Paris, April 25, 2025 – 5:45pm CEST – ALIKO SCIENTIFIC (Ikonisys SA) (Euronext Growth Paris: ALIKO), a company specializing in the early and accurate detection of cancers through a unique, fully automated solution for medical analysis laboratories, today announces the postponement of the publication of its 2024 annual financial report, initially scheduled on April 30, 2025, **to no later than May 31, 2025**.

This postponement is due to the inclusion for the first time of the accounts of **Hospitex International** in the Group's consolidated financial statement. Hospitex joined the Group in 2024 and its inclusion represents a major step in the Group's growth and transformation. This consolidation process requires thorough integration work to ensure a fair, accurate and consistent presentation of the Group's financial position.

Ikonisys remains committed to delivering high-quality consolidated financial statements that reflect both **continuity with past periods** and **transparency regarding the Group's new structure**. The additional time will allow the Company to finalize this process with the rigor and precision expected by its stakeholders.
