About IMPLANET

IMPLANET is a medical technology company that manufactures high-quality implants for orthopedic surgery and distributes medical technology equipment. Its activities focus on an innovative solution to improve the treatment of spinal pathologies (JAZZ®), complemented by the product range of thoraco-lumbar screws, cages, and cervical plates, acquired through Orthopaedic & Spine Development (OSD) in May 2021. In 2022, the Company entered into a commercial, technological, and financial partnership with Sanyou Medical, China's second-largest medical device manufacturer. As part of this strategic agreement, IMPLANET developed in 2024 the Jazz Spinal System™ hybrid fixation system, a unique new range featuring a comprehensive pedicle screw solution, combined with the market's most advanced braided implant technology, JAZZ®. IMPLANET's orthopedic platform is built on the traceability of its products. Protected by four families of international patents, JAZZ® has received 510(k) regulatory clearance from the U.S. Food and Drug Administration (FDA), CE marking in Europe, and ANVISA approval in Brazil. IMPLANET employs 46 people and generated €9.4 million in consolidated revenue in 2024. Based near Bordeaux, France, IMPLANET has operated a U.S. subsidiary in Boston since 2013. IMPLANET is listed on the Euronext Growth market in Paris.
