About Winamp Group

Winamp Group is a pioneering and leading company in the digital music industry.

With extensive expertise spanning multiple business areas, the Group owns the iconic Winamp platform, the copyright management company Bridger, and the music licensing company Jamendo.

Winamp Group aims to build the future of the music industry by making sustained investments in innovative solutions, as well as in the talent and skills of people who love music.

The Group upholds the core values of its brands: empowerment, access, simplicity and fairness.

Winamp envisions a world where artists and their fans are more connected than ever through a cutting-edge music platform. Bridger's mission is to support songwriters by offering a simple and innovative solution to collect their rights. Jamendo enables independent artists to generate additional revenues through commercial licensing. Finally, Hotmix offers a bouquet of more than sixty free thematic digital radio stations.

About Winamp – www.winamp.com

Winamp redefines the music experience by creating an innovative platform that strengthens the connection between artists and their fans. We provide powerful tools that enable creators to manage their music, grow their audience and maximize their revenues, while delivering a seamless listening experience through the **Winamp Player**.

Winamp for Creators is our dedicated platform, designed to give music artists everything they need to succeed. From monetization tools to music management services, it brings together essential resources that empower creators to take control of their careers.
