

YOUR OPERATIONAL LEASING SOLUTION

TOUAX confirms its target for net income growth

TOUAX will present the Group's financial statements for 2008 and the outlook for 2009 on March 25, 2009.

The Touax Group's goal of net income growth of 40% in 2008 is maintained.

Since the start of 2009, the Group continues to benefit from a good capacity to resist the current economic slowdown, given TOUAX's geographical diversification, the four operating leasing activities, and the long-term nature of its underlying contracts.

The TOUAX Group provides operational leasing services to a global customer base, both for its own account and on behalf of investors. TOUAX is the leader in leasing of shipping containers and river barges in Continental Europe and number two in modular buildings and freight railcars (intermodal rail cars), TOUAX is well positioned to take advantage of the rapid growth in corporate outsourcing of non-strategic assets and every day offers efficient and flexible leasing solutions to more than 5,000 customers.

TOUAX is listed in Paris on NYSE Euronext, Euronext Paris Compartment C (ISIN Code FR0000033003).
