

Paris, July 30, 2009

Communiqué

Natixis has noted that its share price has increased during recent trading sessions.

Natixis wishes to state that it has not made any major announcement and that it does not wish to comment on any of the various rumors that may have caused the increase in its trading price.

Natixis reminds investors that its half-year results are scheduled to be published on August 27, 2009.
