GFI Informatique announces the sale of its operating companies in Germany to Vision IT Group

GFI Informatique today finalised the sale to Vision IT Group of GFI Informatik and its subsidiaries in Germany.

The scope of the disposal represents 2009 revenue of €22 million for break-even at operating level and a net loss of €0.3 million. The 110 employees involved (excluding subcontractors) are based in some 10 offices in Germany.

Terms of the transaction

The value of the transaction amounts to €5.2 million for the shares, the current account and net cash. In application of IFRS 5, this business will be recorded in our financial statements as at 31 December 2009 as an asset to be sold and the loss of €9.0 million will be recognised in our accounts on the same date.

When signing the agreement, Vincent Rouaix, the Chairman and Chief Executive Officer of GFI, said: "I am satisfied with this deal that marks a first step in the refocusing we announced in our strategic plan of last July. This transaction with Vision IT Group makes it possible to ensure the future development of GFI Informatik in Germany".
