

PRESS RELEASE

MAI 5TH 2010

Appointment

Carine de Boissezon has been appointed Senior Vice President, Investors and Markets.

This newly created unit of the Finance Division will combine both the Institutional Investors Department and the Department in charge of Retail Investors and Employee Shareholding.

In this role, Carine de Boissezon will be responsible for the Group's interactions with financial markets, notably managing the relations with all investors and shareholders. In addition, she will be involved in the development and monitoring of strategies on equity and bond markets in liaison with the Financing Department. Carine de Boissezon will be reporting to Thomas Piquemal, Group Executive Vice President in charge of Finance.

Carine de Boissezon, 33, is a graduate of the Ecole Supérieure de Commerce de Paris (ESCP).

She has spent her entire career thus far at Morgan Stanley, in London and Paris.

Initially a Utilities analyst within the Research Department, she moved into institutional sales.

From 2006 she occupied the position of Executive Director on the sales floor with worldwide responsibility for the Utilities and Clean Energy sector.

Her expertise as an analyst and her deep knowledge of the sector's key global investors, on the specialist sales side, have had her play a crucial role in numerous market operations.

The EDF Group, one of the leaders in the energy market in Europe, is an integrated energy company active in all businesses: generation, transmission, distribution, energy supply and trading. The Group is the leading electricity producer in Europe. In France, it has mainly nuclear and hydraulic production facilities where 95% of the electricity output involves no CO₂ emissions. EDF's transport and distribution subsidiaries in France operate 1,285,000 km of low and medium voltage overhead and underground electricity lines and around 100,000 km of high and very high voltage networks. The Group is involved in supplying energy and services to around 38 million customers around the world, including close to 28 million in France. The Group generated consolidated sales of €66.3 billion in 2009, of which 49% in Europe excluding France. EDF is listed on the Paris Stock Exchange and is a member of the CAC 40 index.
