### **LEADER IN HUMAN RESOURCES MANAGEMENT**

### **STRENGTHENS ITS PRESENCE ON THE IBERIAN PENINSULA**

After the acquisition of the OLYMPIA EMPLEO network in Spain (turnover of €35 million) in December 2009, SYNERGIE has taken control of the company OLYMPIA TT Portugal with its turnover of nearly €5 million, thereby strengthening its presence in this country where business is growing strongly (+42% over the first four months).

As such, the turnover generated in Portugal should double to nearly €20 million in 2010.

OLYMPIA TT Portugal most notably specialises in tertiary activities and call centres.

Entirely self-financed, the operation aligns with the development strategy pursued by SYNERGIE on the Iberian Peninsula, where the Group should reach €90 million in 2010.

As such, SYNERGIE is confirming its role as the leader in the Global Management of Human Resources in Europe.

Listed in compartment B of the NYSE Euronext Paris (ISIN FR0000032658), SYNERGIE is a major and independent actor in the global management of Human Resources, with a network of 552 agencies in Europe and in Canada. SYNERGIE is included in the CAC Small 90, CAC Mid and Small 190 and SBF 250 indices.
