Rabat, October 14, 2010

New Maroc Telecom's extra bonuses

One unlimited number, up to 1 hour free communication and a free 3G Mobile Internet connection, are now included in Maroc Telecom's Rate Plans*.

Since October 1st, 2010, all Mobile Rate Plans customers* benefit from a permanent extra time, ranging from 30 minutes to 1 hour per month, depending on their plan. Moreover, free minutes available after the consumption of the main plan, are now valid to all national networks during the evenings, weekends and holidays.

New Mobile Rate Plans customers* can also connect to a Maroc Telecom's unlimited mobile number of their choice.

They also access the Mobile Internet through a free 512Kb/s 3G connection.

With these new advantages, all Maroc Telecom's Mobile Rate Plans customers* can communicate more and easily access the Internet.

* All Mobile Rate Plans excluding Liberté Rate Plan.

About Maroc Telecom

A full-service telecommunications operator, Maroc Telecom is the domestic market leader in all its business activities. Maroc Telecom was listed on the Casablanca and Paris stock exchanges in December 2004 and its main shareholders are Vivendi (53%) and the Kingdom of Morocco (30%).
