

Technicolor completes the disposal of Grass Valley Transmission business to PARTER Capital Group

Paris (France), April 4, 2011 - Technicolor (Euronext Paris: TCH) announces the completion of the sale of its Transmission business (previously included in Grass Valley) to PARTER Capital Group on April 4, 2011, as contemplated in the offer received in December 2010 and according to the terms detailed in the Company's December 23, 2010 press release.

About Technicolor

Technicolor is home to industry-leading creative and technology professionals committed to the creation, management and delivery of entertainment content to consumers around the world. Propelled by a culture of innovation and underpinned by a dedicated research organization, the company's thriving licensing business possesses an extensive intellectual property portfolio focused on imaging and sound technologies. Serving motion picture, television, and other media clients, the company is a leading provider of high-end visual effects, animation, and postproduction services. In support of network service providers and broadcasters globally, Technicolor ranks among the worlds' leading suppliers of digital content delivery services and home access devices, including set-top boxes and gateways. The company also remains a large physical media service provider, being one of the world's largest film processors and independent manufacturers and distributors of DVDs and Blu-ray™ discs.
