LACROIX GROUP: Sharp increase of half-year turnover

<i>(in Million EUR)</i>	31.03.11	31.03.10	Variation 2010/2011	FY 09/10
Signaling	54,7	53,4	+ 2.4 %	109,9
Telemetry	14,3	12,9	+ 11.3 %	25,4
Electronics	80,7	61,8	+ 30.6 %	128,6
Lacroix Group	149,7	128,1	+ 16.9 %	263,9

In the first half of the Fiscal Year, each division reported a continued positive evolution of its turnover :

The Signaling division showed a satisfying growth, despite a tense environment.

The Telemetry division consolidated its position in France (+ 3.3%) and reported sharp increase in Exports (+ 52%).

The Electronics division, thanks to its positioning, tools, organization and competences, continued and enhanced its growth, well balanced over its various facilities (France, Germany, Poland and Tunisia).

The consolidated turnover of the Group rose almost 17%, thus confirming the prospects for a significant growth of sales and earnings.
