

Technicolor: Combined General Shareholders' Meeting on June 8, 2011

Paris, June 8, 2011 – The Combined General Shareholders' Meeting of Technicolor (Euronext: TCH) was held today, chaired by Denis Ranque, Chairman of the Board, and in the presence of Frederic Rose, Chief Executive Officer, as well as the Board of Directors and Technicolor's senior management.

All resolutions submitted to the Shareholders' Meeting were approved.

The results of the votes will be available from June 9, 2011 on the Company's website: www.technicolor.com

About Technicolor

Technicolor is home to industry-leading creative and technology professionals committed to the creation, management and delivery of entertainment content to consumers around the world. Propelled by a culture of innovation and underpinned by a dedicated research organization, the company's thriving licensing business possesses an extensive intellectual property portfolio focused on imaging and sound technologies. Serving motion picture, television, and other media clients, the company is a leading provider of high-end visual effects, animation, and postproduction services. In support of network service providers and broadcasters globally, Technicolor ranks among the worlds' leading suppliers of digital content delivery services and home access devices, including set-top boxes and gateways. The company also remains a large physical media service provider, being one of the world's largest film processors and independent manufacturers and distributors of DVDs and Blu-ray™ discs.
