

## Interim dividend

An item will be submitted to the Board of Directors on 27 July 2011 proposing the payment of the interim ordinary dividend for the year 2011 between the 1st and 15th of September 2011. The exact date of the payment will be decided at this Board meeting, which will also examine the Group's first half 2011 financial statements. The resulting decision will be announced on 28 July 2011.

Afterwards, the possibility of modifying the timing of future interim dividend payments will be examined in order to provide a more evenly-distributed payment calendar over the year.

### about France Telecom

France Telecom-Orange is one of the world's leading telecommunications operators with 170,000 employees worldwide, including 102,000 employees in France, and sales of 11.2 billion euros in the first quarter 2011. Present in 35 countries, the Group had a customer base of 215.9 million customers at 31 March 2011, including 141.6 million customers under the Orange brand, the Group's single brand for internet, television and mobile services in the majority of countries where the company operates. At 31 March 2011, the Group had 156.7 million mobile customers and 13.9 million broadband internet (ADSL, fiber) customers worldwide. Orange is one of the main European operators for mobile and broadband internet services and, under the brand Orange Business Services, is one of the world leaders in providing telecommunication services to multinational companies.

With its industrial project, "conquests 2015", Orange is simultaneously addressing its employees, customers and shareholders, as well as the society in which the company operates, through a concrete set of action plans. These commitments are expressed through a new vision of human resources for employees; through the deployment of a network infrastructure upon which the Group will build its future growth; through the Group's ambition to offer a superior customer experience thanks in particular to improved quality of service; and through the acceleration of international development

France Telecom (NYSE:FTE) is listed on Euronext Paris (compartment A) and on the New York Stock Exchange.
