

Press release

Atos and Siemens have finalized the acquisition by Atos of Siemens IT Solutions and Services

Paris, 1st July 2011 – Atos, an international IT services company, and Siemens announced today that both companies have completed the transaction pursuant to which Atos has acquired Siemens IT Solutions and Services GmbH, the holding company of all Siemens IT activities.

All conditions precedent for this transaction have now been completed, the last step was the approval of the transaction by Atos shareholders at the Atos Extraordinary Shareholders meeting held today.

The Atos Extraordinary Shareholders Meeting has in particular approved the following resolutions:

- Approval of the contribution by Siemens to Atos of Siemens IT Solutions and Services.
- As consideration for the contribution, Siemens has received shares of Atos representing 15% of the share capital of Atos as well as bonds convertible into new or existing shares of Atos representing a nominal amount of 250 million Euros, and a cash payment of 176 million Euros.
- Dr. Roland Busch, Member of the Managing Board of Siemens AG, has been appointed member of the Board of Directors of Atos.
- The change of company name from Atos Origin to Atos.

The deal creates a new company with proforma 2010 annual revenues of EUR 8.7 billion and 78,500 employees across 42 countries.
