

Generix Group announces first quarter revenues of financial year 2011/2012

Total revenues at 15.7 millions of Euros

Paris, July 22, 2011 - Generix Group, a leading software and SaaS vendor for Collaborative Business, today announced its revenues for the first quarter, ended June 30, 2011, of its financial year 2011/2012.

Generix Group recorded an 8% decrease of its quarterly revenues compared to the same quarter last year. However, steady growth of SaaS activities enables the group to show a 9% growth of its Software revenues compared to the same quarter last year.

<i>Unaudited</i>	Quarter ended June 30		Change
	2011	2010	
Licenses	1 673	1 818	-8%
Maintenance	5 615	5 218	8%
SaaS	2 724	2 125	28%
Software revenues	10 012	9 161	9%
Consulting Services	5 675	7 803	-27%
Revenues	15 687	16 964	-8%

Mostly driven by a deal with a central purchasing department of a retail leader that selected the GCE logistics execution software suite, License sales however decreased by 8% compared to the same quarter last year. Consulting services continues to be impacted by past licenses sales decrease.

Generix Group confirms the solidity of its "On Demand" business model, still showing strong growth (28% compared to the same quarter last year) and confirms, thereby its relevance to market's expectations. Maintenance revenues are also growing by 8% compared to the same quarter last year, with a customer base still loyal to the Generix Group solutions and that continues to invest in their evolutions.

In addition, Generix Group announces that the Shareholders' Meeting that will in particular approve its financial statements and vote the 8.2 M€ capital increase (with subscription rights offered to existing shareholders) will be held on September 1st, 2011 and not on September 15, 2011 as initially scheduled.
