EDF: distribution of an interim dividend of € 0.57 per share for 2011

EDF SA's Board of Directors, meeting today under the Chairmanship of Henri Proglio, decided to pay an interim dividend for 2011 Fiscal Year. This interim dividend will have an ex date on 13 December 2010 and a payment date on 16 December 2011.

It amounts to € 0.57 per share, which represents half of the total dividend paid for 2010, in line with the Group's objective of dividend at least stable in 2011.

The EDF Group, one of the leaders in the European energy market, is an integrated energy company active in all areas of the business: generation, transmission, distribution, energy supply and trading. The Group is the leading electricity producer in Europe. In France, it has mainly nuclear and hydraulic production facilities where 95% of the electricity output is CO₂-free. EDF's transmission and distribution subsidiaries in France operate 1,285,000 km of low and medium voltage overhead and underground electricity lines and around 100,000 km of high and very high voltage networks. The Group is involved in supplying energy and services to approximately 28 million customers in France. The Group generated consolidated sales of € 65.2 billion in 2010, of which 44.5% was achieved outside of France. EDF is listed on the Paris Stock Exchange and is a member of the CAC 40 index.
