ADDITIONAL ISSUANCE OF NOTES IN AN AMOUNT OF USD100 MILLION

Rexel announces today the placement of an additional USD100 million principal amount of its 6.125% senior notes due 2019. On March 28, 2012, Rexel had issued USD400 million of its 6.125% senior notes due 2019. The additional notes will have identical terms and conditions as the notes issued on March 28, 2012 and will form a single series and be fully fungible with the previously-issued notes.

The delivery and settlement of the additional notes is expected to occur on or around April 23, 2012.

This new issuance allows Rexel to continue to improve its financial flexibility and extend its debt maturity profile at affordable cost.
