Avanquest's strategic partner Arvixе ranks number 157 on Inc. magazine's annual ranking of fastest growing companies

Santa Rosa, CA – October 1st, 2012

Avanquest's partner Arvixе, a leading web hosting company, has been named for the 2nd year in a row in the Inc. 500 List, an exclusive ranking of the American fastest-growing private companies.

Compared to 2011 ranking, Arvixе is even improving its ranking from the 209th to the 157th position and is number 10 among companies in the highly competitive IT Services category. Rankings on the list are based on revenue growth in the past 3 years.

Between 2008 and 2011, Arvixе reported a 2,154% growth in revenue.

Arvixе is a strategic investment for Avanquest Software: in November 2011, Avanquest has taken a 50% interest in the company and its PC utilities business unit, VCOM, is working closely with the Arvixе Company.

For Bruno Vanryb, CEO of Avanquest Software, *"being part of this achievement makes us very proud. Our goal is to continue to be one of the world leaders in digital technologies and Arvixе is an essential asset to us."*
