Bouygues press release

Alstom's contribution to Bouygues' third-quarter and fourth-quarter 2013 net profit

Alstom reported results for its first half of FY2013/14 on 6 November 2013.

On the basis of this information and given the difference between the end of first half of the financial years of Alstom (30 September) and Bouygues (30 June), Alstom's contribution to Bouygues' net profit in third-quarter 2013 stood at 51 million euros versus 67 million euros in third-quarter 2012.

On the basis of currently available information, Alstom's contribution to Bouygues' net profit in fourth-quarter 2013 is estimated at 55 million euros versus 59 million euros in fourth-quarter 2012.

In accordance with the calculation method used by Bouygues, this contribution is assessed from Alstom's last reported half-year figures available at the date the Bouygues group will close its full-year financial statements, ie the first half of FY2013/14.

*Nine-month 2013 sales and earnings of the Bouygues group
will be reported on 13 November 2013 at 5.45pm (CET).*
