

Zodiac Aerospace acquires Pacific Precision Products (PPP)

This acquisition is reinforcing Oxygen Systems Offering

Plaisir, February 26th, 2014 – Zodiac Aerospace has finalized the acquisition of Pacific Precision Products (PPP). Based in Irvine, California, and employing around 40 people, the company develops and manufactures equipment for Oxygen systems for business Jet aviation and other specialized companies such as cabin completion centers

PPP business is highly complementary to the existing Oxygen activities within the Aircraft systems branch of Zodiac Aerospace Group. PPP will be consolidated in the financial statements of the Group for the first time as of February 28, 2014.
