

Exclusive negotiations between Axway and the shareholders controlling Systar for the acquisition of 61% of Systar's shares

ST. CLOUD, France and Vienna, VA, March 24th, 2014 - Systar (ISIN: FR0000052854-SAR), a leading provider of Operational Intelligence software, was informed that Axway has started exclusive negotiations with the shareholders who jointly control the company for the acquisition of a block representing 61% of Systar's outstanding shares at a price of € 5.97 per share, bringing the total amount to € 34.3 million.

The completion of the acquisition of Systar's controlling block will lead Axway to file a simplified tender offer at the same price of € 5.97 per share, targeting Systar's remaining outstanding shares, in accordance with applicable regulations.

Revenues and results for the third quarter of fiscal year 2013-2014, will be released on April 23rd, 2014

About Systar

Over 180 clients worldwide, including 10 of the world's 15 largest banks, rely on Systar's performance management software to transform their business and IT operations from reactive to proactive, solving problems prior to impacting the business.
