

24 April 2014

In response to recent speculation in the economic press, Alstom is not informed of any potential public tender offer for the shares of the Company.

The Group constantly reviews the strategic options of its businesses.

Alstom plans to communicate as scheduled [on May 7](#) its annual results and will use this opportunity to give an update on the prospects of its activities.

## **About Alstom**

*Alstom is a global leader in the world of power generation, power transmission and rail infrastructure and sets the benchmark for innovative and environmentally friendly technologies. Alstom builds the fastest train and the highest capacity automated metro in the world, provides turnkey integrated power plant solutions and associated services for a wide variety of energy sources, including hydro, nuclear, gas, coal and wind, and it offers a wide range of solutions for power transmission, with a focus on smart grids. The Group employs 93,000 people in around 100 countries. It had sales of over €20 billion and booked close to €24 billion in orders in 2012/13.*
