

## **Gemalto Receives Frost & Sullivan 2014 Award for Border Control and Biometrics**

**Amsterdam – May 15, 2014** – Gemalto (Euronext NL0000400653 GTO), the world leader in digital security, has earned the Frost & Sullivan 2014 Customer Value Leadership Award for Border Control and Biometrics for its fast, reliable and secure immigration control solutions. Frost & Sullivan’s analysts and industry experts recognized Gemalto for achieving excellence in two critical areas: customer value and implementation. In particular, the company commended Gemalto’s outstanding achievement as prime contractor of the Ghana immigration program.

According to Frost & Sullivan, the global border control and biometric market is expected to grow at a constant compound annual growth rate (CAGR) of 12 per cent from 2012 to 2021, to reach a value of \$15 billion in 2021.<sup>1</sup> Addressing this major global trend, Gemalto has introduced the [Coesys Border and Visa Management solution](#) to secure borders and simplify travel procedures.

The Coesys Border and Visa Management end-to-end solution integrates platforms, software and services to enhance the security of border check points and reduce waiting times through automated verification of documents and border control systems.

*“Frost & Sullivan was looking for a company that not only had a vision for a high-quality total customer experience, but used those insights to achieve growth above the industry average,”* commented David Frigstad, chairman of Frost & Sullivan. *“Our market analysis of the Border Control and Biometrics sector highlights Gemalto’s expertise in delivering end-to-end solutions that meet the combined needs of securing borders and simplifying travel procedures at land, sea and airport check points.”*

*“Gemalto is honored to receive this Frost & Sullivan award for our Border and Visa Management solution, which provides governments with an entirely computerized system for easy deployment of immigration policies,”* added Frédéric Trojani, executive vice president of Government Programs at Gemalto. *“In particular, Coesys Border and Visa Management delivers higher rates of detection and prevention through official international databases to check if the travel document has been lost or stolen.”*
