

DELFINGEN is still joining the PEA-PME pan equity savings

Delfingen, listed on NYSE Alternext in Paris (ISIN code: FR 0000054132 - Mnemonic: ALDEL) announces its capacity to still join the PEA-PME pan equity savings as the company is in compliance with the threshold according to the decree published in the Official Journal March 4th, 2014 (decree n° 2014-283).

Enjoying the same tax advantages as the traditional pan equity savings (PEA), the savings account must integrate 75% of SMEs and ISEs securities, 50% in shares, not exceeding €75.000.

Are eligible, companies under 5,000 employees whose turnover is less than €1.5 billion in total assets as €2 billions.

About Delfingen

Established in 1954, Delfingen has celebrated its 60th anniversary in 2014. Delfingen is a global leading manufacturer of protection solutions for electrical wiring and fluid automotive networks.

In 2014, Delfingen has achieved net sales of 156.9M€ i.e. a growth of 22% vs 2013 without the exchange rate impact.

In 2015, the growth will still be brought by the international.

The sales for the 2015 first quarter are in line with the Delfingen strategies:

- Accelerate its growth in Asia, today the first worldwide car market
- Reinforce its position at German carmakers and automotive suppliers level
- Develop its range of products and services, notably in the field of the technical textiles
- Leverage on our innovations in technical plastic tubing.
