James F. Collins, Chief Executive Officer of the group, comments: "As previously shared, the group's overall revenues in 2015 is in line with 2013 and 2014." He adds: "We now are seeing the fruits of our efforts regarding reorganization of both the commercial and operational organizations. A positive book-to-bill ratio in 2015 means that our previous guidance of double digit growth in 2016 remains an achievable goal for the group."

ABOUT EGIDE

Egide is a group with an international dimension, specialized in the manufacture of hermetic packages for sensitive electronic components. It operates in cutting edge markets with strong technology barriers to entry in all critical industry segments (Thermal Imaging, Optronics, Microwave, Power Management,...). Egide is the only pure player in this market niche with manufacturing bases in France and the United States.

Egide shares are eligible for the French tax incentivized PEA-PME, FCPI investment vehicles and SRD "Long-only"
