NEURONES confirms its eligibility for French SME equity savings plans

NEURONES has confirmed that it satisfies all the eligibility criteria* for SME equity savings plans, known as "PEA-PME", stipulated in implementing decree no. 2014-283 of March 4, 2014. As in 2014 and 2015, its shares may therefore be included in SME equity savings plans (same tax advantages as standard equity savings plans - known as "PEA").

NEURONES is an IT Consulting and Services group which employs 4,580 people (as at January 1, 2016). In 2015 it achieved revenues of €399.4 million, recorded organic growth of 11.4%, and posted operating profit amounting to 9.3% of its revenues.

* Companies are eligible if, at the time of purchase, they have fewer than 5,000 employees, and either their revenues are lower than €1.5 billion, or their balance sheet does not exceed €2 billion.
