

FIRST-HALF 2016 REVENUE €155.4 million, up 81.8%

Strong Development in the Digital Sector

Fimalac's consolidated revenue for the first half of 2016 totaled **€155.4 million** compared with €85.5 million for the same period of 2015. The strong **81.8%** increase was partly attributable to the Group's development initiatives in the Digital sector and also in the Entertainment sector.

<i>(in € millions)</i>	First-half 2015	First-half 2016
Digital Division (Webedia)	45.8	94.6
Entertainment Division	32.9	53.0
Real Estate Division	6.8	7.8

<u>Consolidated revenue</u>	85.5	155.4

Fimalac's **Digital** Division, represented by Webedia, contributed **€94.6 million** to consolidated revenue for the first half of 2016 compared with €45.8 million for the prior-year period, a performance that comfortably exceeded the division's business plan objectives. Revenues in France more than doubled, totaling €69.9 million versus €34.3 million in the first half of 2015. International revenues rose to €24.7 million from €11.5 million, representing some 26% of the consolidated total, with gain reflecting the Group's increasingly strong presence in countries such as Germany and Brazil, as well as more recent development initiatives in the United States.

Entertainment Division revenues amounted to **€53 million** for the first half of 2016 compared with €32.9 million for the same period of 2015. The improvement was led by scope increases in the entertainment venue management business as well as in the live entertainment production business.
