### About Kerlink

Kerlink is a specialist in network solutions for the Internet of Things (IoT). Its mission is to provide its clients—telecom carriers, businesses and public authorities with network solutions (equipment, software and services) dedicated to the Internet of Things. Over the past 10 years, more than 50,000 Kerlink installations have already been rolled out for more than 120 clients including GrDF, Suez, Saur and Médiamétrie. In 2016, Kerlink generated revenues of €14.1 million increasing by 90 per cent compared with 2015. Since 2014, it has posted average annual growth of more than 40%. International revenues have more than tripled in two years and now stand at over 25% of the total business. Kerlink has been listed on Alternext Paris since May 2016.
