RCI BANQUE ISSUES A € 750 MILLION FRN MATURING IN MARCH 2022

RCI Banque announces the issuance of a 4-year and 9-month bond with a coupon of Euribor 3 months +67bp.

This fourth euro public issuance in 2017 attracted a final order book of € 1.9 billion coming from 159 subscribers.

The investor interest in this new deal demonstrates once again their confidence in the financial strength of the company as well as their capacity to support its growth.
