Vivendi's decision to sign the agreement with the Bolloré Group to purchase its majority stake in the Havas Group

Havas has been informed that Vivendi has entered into the purchase agreement with the Bolloré Group regarding the approximately 60% majority stake Bolloré Group holds in Havas at a price of 9,25 euros per share, as initially indicated in the letter of intent.

The execution of this agreement by Vivendi's Management Board follows the receipt of positive opinions from the employee representative bodies of the companies of Vivendi, Havas and the Bolloré Group, and the completion of the due diligence process.

Completion of this transaction is subject to the approval of the competent competition authorities.

Yannick Bolloré, CEO Havas Group, said : *"We look forward to joining forces with the Vivendi group. Vivendi's ambitious strategy for accelerated development towards a global communications leader will enable us to develop even more quickly. Vivendi will provide us with, on one hand, new strategic and financial resources to enrich the expertise we offer to our clients and, on the other, broader opportunities for our talents. We thank the Vivendi teams for their trust and support."*

Arnaud de Puyfontaine, CEO Vivendi, commented : *This acquisition marks a major milestone in our drive to build a global leader in content, media and communication. It gives our Group a unique positioning and a major advantage in an environment marked by the ever-increasing convergence between content, distribution and communication. Havas brings its expertise in consumer science, data analytics and new creative formats to the entire Vivendi group. Most importantly, our two companies have gotten to know one another well and our teams enjoy working together, essential keys to success in the creative and innovative industries, which rely on a wealth of talent."*

Upon completion of this acquisition, in compliance with the stock market regulations, Vivendi will file a simplified tender offer on the remaining Havas stake, without aiming at delisting Havas shares.
