SCOR is named "Reinsurer of the Year" at the Reactions London Market Awards

On 28 June 2017, in London, SCOR was named "Reinsurer of the Year" at the prestigious Reactions London Market Awards.

Organised each year by Reactions magazine, these awards distinguish companies and individuals operating in the London market, as voted by worldwide insurance and reinsurance market professionals. Last year, Reactions magazine named SCOR "North American Life Reinsurer of the Year 2016".

Denis Kessler, Chairman & Chief Executive Officer of SCOR, comments: "We are very proud to have been recognized once again by our peers, by brokers and by our clients at the Reactions London Market Awards. This award acknowledges SCOR's positive dynamic, which is marked in particular by strong financial performance, the successful conclusion of the strategic plan "Optimal Dynamics" in 2016 and the launch of our new plan "Vision in Action". On behalf of the Executive Committee, I would like to thank all of the Group's employees for their contribution to this success."

Forward-looking statements

SCOR does not communicate "profit forecasts" in the sense of Article 2 of (EC) Regulation n°809/2004 of the European Commission. Thus, any forward-.looking statements contained in this communication should not be held as corresponding to such profit forecasts. Information in this communication may include "forward-looking statements", including but not limited to statements that are predictions of or indicate future events, trends, plans or objectives, based on certain assumptions and include any statement which does not directly relate to a historical fact or current fact. Forward-looking statements are typically identified by words or phrases such as, without limitation, "anticipate", "assume", "believe", "continue", "estimate", "expect", "foresee", "intend", "may increase" and "may fluctuate" and similar expressions or by future or conditional verbs such as, without limitations, "will", "should", "would" and "could." Undue reliance should not be placed on such statements, because, by their nature, they are subject to known and unknown risks, uncertainties and other factors, which may cause actual results, on the one hand, to differ from any results expressed or implied by the present communication, on the other hand.

Please refer to the 2016 reference document filed on 3 March 2017 under number D.17-0123 with the French Autorité des marchés financiers (AMF) posted on SCOR's website www.scor.com (the "Document de Référence"), for a description of certain important factors, risks and uncertainties that may affect the business of the SCOR Group. As a result of the extreme and unprecedented volatility and disruption of the current global financial crisis, SCOR is exposed to significant financial, capital market and other risks, including movements in interest rates, credit spreads, equity prices, and currency movements, changes in rating agency policies or practices, and the lowering or loss of financial strength or other ratings.

The Group's financial information is prepared on the basis of IFRS and interpretations issued and approved by the European Union. This financial information does not constitute a set of financial statements for an interim period as defined by IAS 34 "Interim Financial Reporting".
