Altran closes the acquisition of GlobalEdge Software

Altran has announced today the closing of the acquisition of GlobalEdge Software Limited, an India-based product engineering company specialized in embedded software and IoT Solutions. This acquisition was closed at the end of September, rapidly after its announcement on September 5, 2017.

This strategic acquisition helps accelerate the execution of Altran's strategic plan, "*Altran 2020. Ignition*". It significantly reinforces Altran's *Industrialized GlobalShore™* delivery capabilities in India, and further strengthens Altran's commercial footprint in North America. It provides Altran with deep expertise in embedded software and connectivity technology.
