MAISONS DU MONDE ANNOUNCES THE SUCCESS OF ITS OFFERING OF BONDS CONVERTIBLE INTO NEW SHARES AND/OR EXCHANGEABLE FOR EXISTING SHARES (OCEANES) DUE 2023 FOR A NOMINAL AMOUNT OF APPROX. €200 MILLION

Nantes, 29 November 2017,

Maisons du Monde (the "Company") (Euronext Paris: MDM, ISIN Code: FR0013153541) announces today the successful placement of bonds convertible into new shares and/or exchangeable for existing shares ("OCEANES") due 6 December 2023 (the "Bonds") by way of a private placement to institutional investors only, for a nominal amount of approx. €200 million, representing approx. 4.1 million underlying shares (the "Offering").

The net proceeds of the Offering will be used for the partial refinancing of the existing €250 million term loan.

The nominal unit value of the Bonds has been set at €48.78, corresponding to a premium of 42.5% above the Company's reference share price¹ on the regulated market of Euronext Paris.

The Bonds will be issued at par on 6 December 2017, the expected settlement and delivery date of the Bonds (the "Issue Date") and redeemed at par on 6 December 2023. The bonds will bear a coupon of 0.125%, payable annually in arrears on 6 December of each year (or on the following business day if this date is not a business day) and for the first time on 6 December 2018 (or on the following business day if this date is not a business day).

Unless previously converted, exchanged, redeemed or purchased and cancelled, the Bonds will be redeemed at par on 6 December 2023 (or on the following business day if this date is not a business day). The Bonds may be redeemed prior to maturity at the option of the Company, subject to certain conditions, and at the option of bondholders in the event of a change of control of the Company (as defined in the terms and conditions of the Bonds).

Existing shareholders of the Company shall have no preferential subscription rights (or priority subscription period) in connection with the Bonds or the underlying shares of the Company.

The Bonds are expected to be listed on the Euronext Access™ market of Euronext Paris within 30 days after the Issue Date.

¹ The reference share is equal to the volume-weighted average price of Maisons du Monde shares recorded on the regulated market of Euronext Paris from the start of trading on 29 November 2017 until the determination of the final terms of the Bonds on the same day.

Conversion right

From the Issue Date (i.e. 6 December 2017) and up to 5.00 p.m. (Paris time) on the 7th business day preceding the maturity date or the relevant early redemption date, the Bonds will entitle their holders to receive shares of the Company at a ratio of one share per Bond, subject to any potential subsequent adjustments.

Upon exercise of their conversion/exchange right, bondholders will receive, at the option of the Company, new and/or existing Company shares. The Company new shares eventually delivered shall carry current rights to dividends paid following the date of delivery of the shares.

Dilution

Considering the offering of the Bonds for an amount of approx. €200 million represented by 4,100,041 Bonds and a nominal value of €48.78 per Bond, maximum dilution would represent 9.1% of the outstanding share capital, should the Company decide to exclusively deliver new shares upon conversion
