ABOUT ECOSLOPS

Ecoslops is listed on Euronext Growth in Paris

Code ISIN : FR0011490648

Ticker : ALESA / PEA-PME eligible

Player of the circular economy, Ecoslops has developed and implemented a unique technology to upgrade maritime transport oil residues (slops and sludge) into new fuels and light bitumen. The solution proposed by Ecoslops is based on a unique micro-refining industrial process that transforms these residues into commercial products that meet international standards. Ecoslops offers an economic and ecological solution to port infrastructure, waste collectors and ship-owners through its processing plants.
