(Article L 233-8 II of the Commercial Code (*Code de Commerce*) and article 223-16 of the AMF  
General Regulation (*Règlement Général de l’Autorité des marchés financiers*))

	March 31, 2018
<b>Total number of shares</b>	25 626 482

<b>Total number of exercisable voting rights</b>	26 912 807

\* After March 1<sup>st</sup>, 2018, a mistake on the accounting of double voting rights has been found out; for registered shares held under the name of the same shareholder, double voting rights were accounted as from the second anniversary of their registration instead of the last day of the civil year during which such second anniversary occurred. The present publication takes into account a corrected accounting, compliant with the bylaws of Recylex S.A.
