Egide shares are eligible for the French tax incentivized PEA-PME, FCPI investment vehicles

A PROPOS D'EGIDE

Egide is a group with an international dimension, specialized in the manufacture of hermetic packages for sensitive electronic components. It operates in cutting edge markets with strong technology barriers to entry in all critical industry segments (Thermal imaging, Optronics, High-Frequency, Power Units...). Egide is the only pure player in this market niche with manufacturing facilities in France and the United States.
