PRESS RELEASE

Eramet: Correction to the Registration document filed with the Autorité des marchés financiers on 3 April 2019 under number D. 19-0259

The French language corrected version of the Registration document posted on the Company's website on 18 April 2019 cancels and replaces the former French language version of the Registration document filed with the Autorité des marchés financiers on 3 April 2019 under number D. 19-0259.

The following changes were made in the Registration document:

- The sentence "If the Group's net income for the financial year in question is negative, a 50% allowance will be applied to the amount of the variable part due under the objective linked to economic performance (current operating income and operational cash flow).", regarding the annual variable remuneration policy of the Chairman and CEO, was deleted on pages 314 and 324.
- Missing words were added as follows: on page 26 first column « *electrolytic manganese metal* » and « *flakes* », 2nd column « *dry metric ton unit* »; on page 27 « *spot* » in 1st and 2nd columns; on page 32 « *spot* » twice in the 1st column; on page 33 1st column « *revampings* »; on page 34 « *London Metal Exchange* » in the 1st column and « *cash seller and settlement* » in the 2nd column; on page 40 2nd column « *Contract of Work* », « *prevailing laws and regulations* » and « *off-take* »; on page 41 1st column « *nickel pig iron* », in the 2nd column « *cash cost* » « *break-even cost* » and « *cash cost* » twice; on page 42 1st column « *break-even cash* » and « *break-even* » and in the 2nd column « *off-take* »; on page 43 1st column « *chloride process* »; on page 47 1st column « *high purity pig iron* »; on page 49 2nd column « *a minima* » and « *salars* ».

No other change was made to the French language version of the registration document.

The corrected Registration document can be found on the Company's website (<http://www.eramet.com>), as well as on the website of the Autorité des marchés financiers (www.amf-france.org).

ABOUT ERAMET

Eramet, a global mining and metallurgical group, is a key player in the extraction and valorisation of metals (manganese, nickel, mineral sands) and the elaboration and transformation of alloys with a high added value (high-speed steels, high-performance steels, superalloys, aluminium and titanium alloys).

The Group supports the energy transition by developing activities with high growth potential. These include lithium extraction and refining, and recycling.

Eramet positions itself as the privileged partner of its customers in sectors that include carbon and stainless steel, aerospace, pigments, energy, and new battery generations.

Building on its operating excellence, the quality of its investments and the expertise of its employees, the Group leverages an industrial, managerial and societal model that is virtuous and value-accretive. As a contributive corporate citizen, Eramet strives for a sustainable and responsible industry.

Eramet employs around 13,000 people in 20 countries with sales of approximately €4 billion in 2018.
