#### About Séché Environnement

**Séché Environnement** is one of the leading players in the treatment and storage of all types of non-radioactive industrial and household waste in France. Its facilities enable it to offer high-quality global solutions that incorporate all environmental requirements.

It is the leading independent operator in the country with a unique positioning at the hub of the high value-added waste recovery, treatment and storage markets.

The Group offers integrated specialized services:

- treatment (by incineration, physical-chemical treatment and solvent regeneration) and processing for energy recovery of hazardous and non-hazardous industrial waste (HIW and NHIW);
- storage of final residue comprised of hazardous or non-hazardous industrial waste (HIW and NHIW).

In April 2007, **Séché Environnement** acquired a 33% stake in Saur Group, the No. 3 player in the Water and Environmental Services sector in France. Since May 2008, Séché Environnement has held an option to purchase an 18% stake in Hime, the parent holding company of Saur Group, allowing Séché Environnement to assume ownership of Saur Group by May 2012.

**Séché Environnement** has been listed on Eurolist by Euronext since November 27, 1997.
